2. GENERAL CONDITIONS FOR TENDER

SOS CV KENYA invites offers for the goods, services and/or works described and summarized in these documents, and in accordance with procedures, conditions and contract terms presented herein. SOS CV KENYA reserves the right to vary the quantity of work/materials specified in the Tender Package without any changes in unit price or other terms and conditions and to accept or reject any, all, or part of submitted offers.

2.1 Unethical Behavior & Other Grounds for Exclusion:

SOS CV KENYA demands ethical conduct from our potential suppliers in the procurement process. The following practices are intolerable and bidders proven to be involved with such activities will have their bids rejected and any existing contracts terminated.

➢ Bribery and Kickbacks: This includes any request from any SOS CV KENYA employee, consultant or agent for anything of value from any company or individual in exchange for the employee, consultant or agents taking or not taking any action related to the award of a contract or the contract once awarded. It also applies to any offer from any company or individual to provide anything of value to any SOS CV KENYA employee, consultant or agent in exchange for that person taking or not taking any action related to the award of the contract or the contract.
Collusion: This includes the active or tacit co-ordination of potential contractors' competitive behavior, with the likely result that prices rise, output is restricted and the profits of the colluding companies are higher than they would otherwise be (e.g. price fixing agreements).

Coercive practice: This includes threats or harm of persons made in order to influence procurement processes.

Fraud: This includes the use or presentation of false, incorrect or deliberately incomplete statements and documents. It can also mean the misapplication of funds for purposes other than those for which they were originally intended.

Conflicts of interests in the awarding or management of contracts: If a company is owned by, whether directly or indirectly, in whole or in part, any SOS CV KENYA employee or any person who is related to an SOS CV KENYA employee, the company must ensure that it and the employee disclose the relationship as part of or prior to submitting the offer.

2.2. Social Consideration

SOS CV KENYA is a social development organization. We base our conduct on ethical standards and take into account the social effects of our conduct. SOS CV KENYA will at all-time act in a socially responsible manner when it comes to procuring goods or services. We make a contribution to local development of the communities where we work by procuring locally as much as possible. We promote fair trade, and proper, legal conduct in the market place.

We require that our supply chain does not use exploitative child labor (as defined in the ILO conventions nos. 138, 182) and forced labor (ILO conventions nos. 29, 105) and is in compliance with basic social rights and working conditions (ILO core labor standards).

We require that potential contractors comply with Social Accountability Standard SA8000. This standard is based on international workplace norms in the ILO conventions and the UN's Universal Declaration of Human Rights and the Convention on the Rights of the Child. In ensuring that our suppliers adhere to these standards we make an active contribution to an equitable social development and the enforcement of basic Human Rights.

2.3 Tender Basis:

- All offers shall be made in accordance with these instructions, and all documents requested should be furnished, including any required (but not limited to) supplier-specific information, technical specifications, drawings, bill of quantities, and/or delivery schedule. If any requested document is not furnished, a reason should be given for its omission.
- No respondent should add, omit or change any item, term or condition herein.
- If suppliers have any additional requests and conditions, these shall be stipulated in an exception sheet.

Any requests for clarifications regarding the project that are not addressed in written documents must be presented to SOS CV KENYA in writing. The answer to any question raised in writing by any offeror will be issued to that offeror. In some cases SOS CV KENYA may choose to issue clarifications to all offerors. It is a condition of this tender that no clarification shall be deemed to supersede, contradict, add to or detract from the conditions hereof, unless made in writing as an Addendum to Tender and signed by SOS CV KENYA or its designated representative.
