- **Collusion**: This includes the active or tacit co-ordination of potential contractors' competitive behavior, with the likely result that prices rise, output is restricted and the profits of the *colluding* companies are higher than they would otherwise be (e.g. price fixing agreements).
- **Coercive practice**: This includes threats or harm of persons made in order to influence procurement processes.
- **Fraud**: This includes the use or presentation of false, incorrect or deliberately incomplete statements and documents. It can also mean the misapplication of funds for purposes other than those for which they were originally intended
- **Conflicts of interests in the awarding or management of contracts** : If a company is owned by, whether directly or indirectly, in whole or in part, any SOS CV KENYA employee or any person who is related to an SOS CV KENYA employee, the company must ensure that it and the employee disclose the relationship as part of or prior to submitting the offer.

2.2. Social Consideration

SOS CV KENYA is a social development organization. We base our conduct on ethical standards and take into account the social effects of our conduct. SOS CV KENYA will at all-time act in a socially responsible manner when it comes to procuring goods or services.
