**YOUR DONATION**

**YOU COULD MAKE A BIG DIFFERENCE FOR A CHILD IN NEED**

Student estimates suggest that there are over 12 million orphans in Kenya.

This is a staggering number, with overwhelming implications for the children in question and for the nation.

**PARTNER WITH US TO PROVIDE CARE FOR CHILDREN WITHOUT APPROPRIATE CARE.**

In Kenya, orphaned and vulnerable children often endure great hardship and struggle. For many of these children, necessities such as food, clothing and shelter are unattainable luxuries.

But your donation could make a big difference in their lives. You could help them have a warm meal, help them get better clothes, help them have education to shape their future. Your donation could make a difference in the lives of children.

**HELPING VULNERABLE CHILDREN BUILD FAMILIES FOR OVER 45 YEARS**

SOS Children's Villages is a breakthrough concept that enables the organization to maintain a top-class system of family homes. The nature of the family environment is such it promotes the child in all aspects of being a productive and responsible person.
